

Apply-It Options

Choose one—or all—of these activities to support kids' learning after Bible Discovery.

Game

Sit in a circle and play a game like Doggie, Doggie, Where's Your Bone? One child closes eyes while the group decides who'll hide a "leaf"—a small classroom object like a green marker or crayon. Kids all ask, "Birdie, Birdie, where's the leaf?" and the child opens eyes and guesses who's holding it. Play several rounds.

In our Bible story, a bird found a leaf to show Noah there was dry ground. God loved Noah and his family and had kept them safe. Now they could leave the boat! God takes care of us, too. **God always loves us.** (Wow, God!)

- Tell about a time God kept you safe.
